**1. God’s Promise Given**

- Jesus is the fulfillment of God’s covenant with Israel, but also the mediator of a new covenant, a better covenant, a light to all the nations

**2. God’s Pronouncement Made**

- Like Isaiah, Simeon foretold of Christ’s sufferings, confirming that Jesus would have enemies, His life would divide the nation of Israel, and there would be a time of great sadness

**3. God’s Plan Fulfilled**

- God’s plan to reach the nations, first revealed to Abraham, then prophesied by Isaiah, then announced by Simeon, is fulfilled before Christ’s Second Advent

Christ came so that you could be part of this great multitude. He came to open your blind eyes. He came to set you free. Will you call upon Him for salvation?
