1. What not being Jewish used to mean
- You were without Christ
- You were without Citizenship
- You were without Promise
- You were without Hope
- You were without God

2. What Christ accomplished on the Cross
- Peace between people groups
- Peace between us and God
- Peace between each other

3. The Results of this reconciliation
- We are fellow citizens
- We are one family
- We are a temple of God

The concept of "race" is a human construct.
The Bible teaches there is only one race (the human race).
- Acts 17:26
- Revelation 5:9-10, 7:9
- Matthew 28:19
- Galatians 3:26-29

The gospel of Jesus breaks down racial barriers.
