"I believe Jesus Lives"
Acts 10:39-43
Sunday, January 31, 2021
Pastor Greg Wilson

1. Jesus suffered the same fate of all people
- His body was surrendered to the grave
- Hebrews 2:9

2. It isn't that Jesus was dead that is most important but that Jesus is alive
- A dead Jesus can be a teacher or a martyr but He could not be our Savior
- Romans 4:25 • 1 Peter 1:3

3. Without the Resurrection Christianity is
- Useless
- Worthless
- Hopeless

Revelation 1:17-18
Because Jesus descended and rose, death could not hold Him and Hades could not keep Him. He owns the keys of death and Hades. He defeated them and proclaimed His victory over them.
