

***“When sin is dealt with”***

***Joshua 8:30-35***

***1. Leaving sin behind leads to victory in life***

- *God can take human weakness and failure, and if we'll let Him, make them work together for good*

***2. Listening to the Word of God leads to victory in life***

- *The altar is where sin is dealt with*
- *Salvation doesn't come through human effort*
- *Our sacrifice for our sin was made on the Cross by Christ*

*When we have failed at some point in our Christian lives, we need to know how to get back on track. What is past is past. We confess our sin, accept His forgiveness and go back to living the Word.*
