

The Messiah isn't finished yet

Daniel 9:20-27

Sunday, August 7, 2022

Daniel has his devotions

- **Jeremiah 25:12, 229:10, 29:7**
- Effective praying is based upon the Word of God
- Effective praying is God
- Effective praying begins with worship
- Effective praying includes confession
- Effective praying asks for forgiveness
- **1 John 1:9**
- Effective praying ends with request
- **Philippians 4:6, James 4:2c**
- Effective praying is not designed to get God to change His will or His mind

Gabriel reveals the future

- The only Old Testament passage that uses the title "Messiah"
- 69 of the 70 weeks have already been fulfilled
- That leaves 7 years to come (the tribulation period)
- The final week deals with the antichrist

We need to make sure we are paying as much attention to our spiritual life as we are to trying to discern the future
