

"I believe in the Church"
1 Corinthians 1:2
Sunday, February 21, 2021
Pastor Greg Wilson

1. The Church is holy

- We are holy people who are to behave like holy people

2. The Church is catholic

- Being an independent church doesn't mean we are independent of other believers

3. The Church is communion

- Although the oneness is invisible and created by the Holy Spirit, it is made visible in the local church

This Creed has given believers a common expression of the apostolic faith for over 2000 years, regardless of geography, language, culture, government, economics, or anything.
