2 Timothy 1:8-14
Sunday, February 28, 2021
Pastor Greg Wilson

1. I believe in the forgiveness of sins

- Sin separates us from a Holy God, the forgiveness of sin is always a means to an end
- *Psalms 15:1-5*
- *Psalms 51:1-7*

2. I believe in the resurrection of the body

- Resurrection shows that our future life entails the redemption of our bodies, not redemption from our bodies

3. I believe in life everlasting

- *Daniel 12:2*
- *Matthew 5:29-30*
- God's design has always been for us to enjoy His new creation in glorified bodies
- *1 Thessalonians 4:17*

Hebrews 4:14
