**Pastor Greg Wilson**

**1. It is a victory parade**

- This entry is first all about what's happened over the last three years
- The witnesses to the raising of Lazarus had returned to Jerusalem

**2. It is prophecy fulfilled**

- Jesus is fulfilling Scripture
- You can trust Him to keep His word

**3. It is the coronation of the King**

- It is the arrival of the promised Messiah

**4. It is a ride to the death**

- It's the answer to the prayer "save us"

On Palm Sunday, He's riding into town. On Good Friday He's walking out of town. With a cross on His back. Before Friday ends, He'll be dead. On the next Sunday, He'll be alive again. That's why it's more than a donkey ride
