1. A submissive husband lives with his wife in consideration

- Men and women bring different strengths into a relationship
- Weaker does not mean inferior or less valuable
- *Ephesians 5:25*
- *Philippians 2:3-5*
- *Mark 10:43-45*

2. A submissive husband lives with his wife in cooperation

- *Romans 12:9-10*
- A Christian marriage is a partnership
- *Genesis 2:18*
- Together they accomplish what they could not alone

3. A submissive husband lives with his wife in edification

- It's the man who is assumed to be praying
- *1 Timothy 2:8*
- It's the husband who is to take responsibility for the spiritual leadership of the family

How a husband treats his wife has spiritual implications. There is no room for abuse of any kind. The church of Jesus Christ is to be a place of safety. Abuse cannot be tolerated, condoned, or covered up. Instead, the husband is to lay down his life for his wife
