Hebrews 11:8-9

Things to remember when the best you can do is put one foot in front of the other

1. The presence of God goes with you

- You almost wonder if Joshua needed to hear this because it did not come naturally to him
- God is going with us as we go
- Hebrews 13:5-6

2. The Word of God goes with you

- We are to know God's Word
- We are to talk about God's Word
- We are to think about God's Word
- We are to obey God's Word

3. The people of God go with you

- Being courageous is contagious

1 Thessalonians 5:12-13

What we need is not increasingly clever methods or increasingly clever people, but obedience informed by and motivated by the living and abiding Word of God
