Pastor Greg Wilson

**1. They didn’t immediately attack their brothers, they first went and honestly expressed their concerns**

- *Proverbs 18:13*
- Don’t jump to conclusions
- There is a clear connection between even one person’s disobedience and the suffering of many

**2. They were willing to restore the relationship even if it cost them dearly**

- They didn’t just demonstrate their love for their brothers by talking with them about the dangers of rebellion, they were willing to give them some of their own lands
- *James 3:17*

**3. When the situation was explained, the 2.5 tribes agreed that if that was the case it would have deserved severe reaction**

- The 2.5 tribes didn’t take offense
- This confrontation led to a stronger relationship

*Hebrews 9:11-14*

**For us the altar is Jesus**
