

***“And He does it all while sitting”***

**Hebrews 1:1-14**

**1. While seated, He is upholding the universe**

- He holds it up so it won't fall down
- He holds it together so it won't fall apart

**2. While seated, He is bringing us to glory**

- He is not trying to get us to glory, hoping to get us to glory, but doing it from the right hand of the Father

**3. While seated, He is speaking to us in the Scriptures**

- When you open the Bible, Christ opens His mouth

**4. While seated, He is sympathizing with us**

- That's why He is sitting on a throne of grace

**5. While seated, He is preparing us a place**

- Heaven is not just a destination, it's a motivation

**6. While seated, He is perfecting us**

- He is equipping us to live the Christian life

How great is Jesus? He is doing all this while sitting down!
