Pastor Greg Wilson

1. How God has worked in the past

- *The surprising grace of God*
- *The gradual pace of God*
- *The mystifying ways of God*
- *The manifest power of God*
- *The faithful protection of God*
- *The continuous provision of God*

2. The choice we have in the present

- *There are many gods you can serve*

3. The witness we will leave for the future

- *Will your legacy bring people closer to the sanctuary of the Lord?*

The Lord, not Joshua, is the key person in this book. The God of Joshua lives, but where are the Joshuas?
