

***Jesus sums up His life... and yours***

**Luke 24:44-49**

**Jesus found the meaning of His life in the Scriptures**

- Jesus lived to fulfill Scripture

**Jesus didn't give us the option of deciding what was most important about His life, He clearly tells us**

- Jesus died to fulfill Scripture
- Jesus died to forgive sin

**Jesus is the key that unlocks Scripture**

- Jesus is the only way to understand the Bible
- Jesus rose from the dead to give us the Holy Spirit
- We have our minds and (thru the Spirit) the mind of Christ
- Jesus lived, died, rose again to give us, the church, our mission
