

The blessing of meditating on the Word

Psalm 1:1-6

To be blessed, let the Word direct you

- **Matthew 26:31**
- **John 18:15-18**
- **Luke 22:55**
- If you follow the wrong counsel, then you will stand with the wrong companions, and finally sit with the wrong crowd

To be blessed, let the Word delight you

- Staying in the Word allows us to be proactive not reactive

To be blessed, be a blessing

- We share the fruits of what we have been given

The wicked are not so

- The world needs truth, it is being blown about by every new wind

Living in a post-truth world, we must ground ourselves in God's Word as the primary source of truth
