

## **Reconsidering Church attendance**

Hebrews 10:19–25

The church, the people of God,  
is second only to the Bible, the Word of God,  
as a source of reliable and transformative wisdom

### **The Wisdom of Confidence in the Gospel**

- If the gospel is true, then we need to constantly be reminded
- We need a church that believes, preaches, and practices the Gospel
- We need that weekly reminder to look to the Cross

### **The Wisdom of Confession of our Hope**

- Reformation Sunday reminds us that we need the lessons of church history
- We need to feel a part of something bigger than ourselves
- We need the testimony of God's faithfulness through time

### **The Wisdom of Community encouragement**

- If our salvation is purchased and guaranteed, why do we need to come to church? We need each other
- We are physical beings, we need physical connections
- The church's 2 ordinances involve physical interactions

Even though we believe that the source of wisdom is the Bible, we need the wisdom of the church to keep us on track
