Romans 5:8

Acts 13:30

1. Our Problem: We are dead in sin

- Our status is we are dead
- Our practice is we are disobedient
- Our nature is we are depraved
- Our destiny is we are doomed

2. God's Intervention: We are made alive in Christ

- Our status is we are saved
- Our practice is we are sanctified
- Our nature is we are seated
- Our destiny is we are secure

3. Ultimate Outcome: We are God's workmanship

- The primary purpose for God sending His Son to die in the sinner's place was not to produce the happiness of the sinner, saved by grace, but rather the demonstration of the grace of God for all eternity.

The gospel allows no opportunity for man's boasting. God brings the dead to life. You cannot do anything to save yourself, "but God" can!
