Pastor Greg Wilson

*Within the one being who is God, there exists eternally three coequal and coeternal persons, namely the Father, the Son, and the Holy Spirit*

**1. Be careful to walk in love**

- The love of Christ replaces falsehood with truth
- The love of Christ replaces anger with consideration
- The love of Christ replaces stealing with giving
- The love of Christ replaces talk that tears down with talk that builds up
- The love of Christ replaces malice with forgiveness

**2. Be careful to walk in light**

- The light of Christ replaces things done in the dark with things done in the light

**3. Be careful to walk in wisdom**

- The wisdom of Christ replaces foolishness with understanding

Our reverence for Christ shows itself not only in our behavior, but in our relationships
