

“Talk is (not) Cheap”

Genesis 3:1-12

Pastor Greg Wilson

1. God reveals Himself, His plan, and His purpose in words

- He is not just a God who does but a God who speaks
- We are not left on our own to figure it all out
- Words belong to God; He lent them to us so that we might know Him and be used by Him

2. Adam and Eve’s ability to talk made them unique in all of creation

- God has given us a way to understand each other... listen and talk

3. Satan uses words against us

- For the first time, an interpretation of life that is different from God’s is spoken
- For the first time, a lie is spoken
- For the first time, people speak against one another
- For the first time, accusations against God are spoken

4. Ever since the fall, we have had trouble with our talk

- **Ps 51:10 (KJV)**
- We must humbly confess that our words have their roots not only in the word of the Lord but also in the words of the Devil

Jesus, the Word, is the only hope for our words
