

“Jesus loves your kids more than you do”

Mark 10:13-16

Pastor Greg Wilson

1. All of us should have a special love for children

- Some people have a burden for children
- Psalms 127:3
- Luke 18:15
- Titus 2:4 Ephesians 6:4
- Some people do not have burden for children
- Although we would die for our children, Jesus already did

2. All of us should be actively involved in bringing bringing to Christ

- Jesus strongly desires for children to enter into His presence
- Children can come to know Christ
- Acts 2:39

3. All of us should have the faith of a child

- Luke 18:17
- Not childish faith, but humble faith

4. All of us should be like Christ and minister to children “hands on”

- You can get involved with bringing children to Christ in many different ways

If we truly want to know how God regards children, we need to look no further than the lap of Jesus
