

## ***“From Proven Guilty to Pardoned by Grace”***

Romans 8:1-11

Pastor Greg Wilson

### **1. The Verdict: Condemnation**

- The unrighteous are guilty
- The self-righteous are guilty
- All are guilty

### **2. The Sentence: No Condemnation**

- The plot twists
- This is not witness changes his story, frees innocent man
- This is witness confirms the person’s guilt, yet he goes free

### **3. The Process: Justification**

- The forgiveness of sins + the imputation of righteousness = Justification
- **Philippians 3:9**
- Imputation means that God regards Christ’s righteousness as belonging to us
- **2 Corinthians 5:21**

Communion commemorates imputation. This is Christ’s body, broken for us.  
This is Christ’s blood shed for us.
