

The Body of Christ is the Assembly of Individuals

First Corinthians 12:11-27

Pastor Greg Wilson

1. Assembling matters because every person matters to the Holy Spirit

- The Trinity is our example of diversity within unity

2. Assembling matters because every person matters to Christ

- A body is incomplete if parts are missing

3. Assembling matters because every person matters to the Church

- You have something to offer to the body

4. Assembling matters because every person matters to God

- Unity is the true sign of a Spirit-filled church

As we gather around the Lord's table, Communion is a symbol of our union with Christ and our unity as a Church.
