

## ***The Benefits of Assembling***

Hebrews 10:19-25

Pastor Greg Wilson

The word church means assembly

The church is an assembly of believers who share a common confession of belief in what Christ has done

Based upon what Christ has done, you should assemble because...

- Assembling encourages your brothers and sisters in Christ
- Assembling helps your pastors and teachers disciple you
- The Holy Spirit uses assembling in your sanctification

Ways to make your assembly together more meaningful to you...

- Prepare ahead of time
- Bring your Bible or Bible app
- Sing along
- Invite a friend
- Introduce yourself to others
- Share Jesus with others in your life
- Pray every day for your church and church leaders
- Start giving regularly
