

Faith in the Face of Death

Acts 23:11-22

Pastor Greg Wilson

Paul's confidence was in the Word of God, not his circumstances

First Corinthians 10:11

You are under the protection of God's will

- God not only ordains the ends but the means
- What is the will of God? Serving Him faithfully wherever you are
- **First Peter 4:19**

God is the only one who knows your future

- **2 Timothy 4:16-18**
- Rome was not the end of his road; the "heavenly kingdom" was
- **2 Corinthians 5:6-9**

If God says you will arrive at your destination, you will

- **Ephesians 2:6**
- We are as good as there
- **John 14:1-3**

Paul didn't just sit back and say, "Whatever will be will be." He spoke up; he exercised his rights. Then, he accepted whatever God willed for him. What is God's will? Serving Him faithfully wherever you are.
