

Act like Men

Nehemiah 4:15-23

Pastor Greg Wilson

Romans 9:3,4a, 10:1

2 Timothy 2:1-7

1. In 1 Corinthians 16:13, what attributes does Paul list as an example of acting like a man?

- A man is alert to danger
- A man is firm in his beliefs
- A man is mature in his behavior
- A man is strong in the face of adversity

2. Men are to lead the congregation

- Every passage dealing with Pastors, Elders, and church leadership is gender specific
- Men, you should be serious about your faith so that you are able to serve in leadership

3. Men are to work at building the congregation

- Keep alert for any need that comes up that you have some ability and desire to take on, and offer to meet it

4. Men are to keep and protect the congregation

- Christian men are called to safeguard the church even as we build it up

Community Bible Church will only be as strong, as mature, as the men are. When it comes to your faith and to your church, act like men.
