

Let Jesus Tell the Christmas Story

Hebrews 10:5-10

Pastor Greg Wilson

1. Jesus tells us He came on purpose

- Psalm 40:6-8
- The Lord Jesus Christ, the eternal Son of God, took a human body in order that He might be the sacrifice for sin
- Matthew 20:28
- The entire Old Testament is pointing to Jesus' arrival

2. Jesus tells us He is the only one fit for that purpose

- As man, He could die; as God, His death could pay the infinite price

3. Jesus tells us He is delighted to fulfill that purpose

- Psalm 40:8
- Jesus didn't do it for our salvation but to do the Father's will

4. Jesus tells us He is still fulfilling that purpose

- Jesus' coming is still as relevant now as it was then because He is still the only way to fulfill the Father's demands for holiness

In 2024, may we strive to delight in doing God's will while recognizing the limitations of our own efforts. May we rest in the once-for-all sacrifice of Christ. May we be encouraged by the profound truth that in Christ, we have been sanctified for eternity.
