

Who do you believe?

Titus 1:1-5

au•then•tic **1.** *not false or copied; genuine; real.* **2.** *having an origin supported by unquestionable evidence.* **3.** *entitled to acceptance or belief because of agreement with known facts or experience; reliable; trustworthy.*

1. Our authenticity starts with God

- Who are you going to believe?
- Authenticity starts with the right beliefs
- God is the source of truth, so we are authentic to the degree we are like Him

2. We must stand against those who subvert authenticity

- Christianity rejects the concept of subjective truth
- We lie to ourselves, but God cannot lie

3. Authenticity for a believer is conforming to the word, not the world

- People who are not authentic live a lie
- Christians are to live the truth
- It matters who and what you believe

We must live like Christians while we live in Crete!
