

Going up to Jerusalem with Jesus
We are not interruptions

Luke 18:35-43

Pastor Greg Wilson

While everyone else saw an interruption, Jesus saw a person made in God's image

- We are all broken image-bearers

Saving this man wasn't an interruption of Jesus' mission, it was Jesus' mission

- This is a beautiful picture of salvation

Do you see people as an interruption to serving Jesus or as your service to Jesus?

- This man's salvation brought glory to God

Have you called out for Jesus to save you? If so, are you giving God the glory?
