

The Church's Two Ordinances

Looking at Jesus

Matthew 3:13-17

1 Corinthians 11:23-26

Pastor Greg Wilson

1. Baptism looks to Jesus

- See Jesus identify with sinners
- See Jesus being declared the Son of God
- See Jesus as a member of the Trinity
- See Jesus demonstrate the importance of Baptism
- See Jesus as the fulfillment of righteousness

2. Communion looks to Jesus

- At Communion, we look inward to see Jesus
- At Communion, we look outward to see Jesus
- At Communion, we look upward to see Jesus

The "bread" does not become the body of Christ.

The church is the body of Christ
