

## **Jesus at Work**

Mark 6:1-6

### **1. By working with His hands, Jesus demonstrated that all honest labor is noble**

- Jesus learned His trade from His father
- Jesus was such a fine carpenter that people couldn't understand why He quit to become a teacher
- Any job can be done for the glory of God

### **2. While working for His Father, Jesus demonstrated how we should work**

- He worked hard at it
- He also knew when to take a break
- He finished His job assignment

### **3. Our striving towards Christ-likeness should impact how we do our jobs**

- Jesus knew what it was like to be human at work
- **Colossians 3:23**
- **1 Corinthians 10:31**

What does it mean to be a Christian in your job?

How does being a believer make you approach your job differently than a non-believer?

What Biblical principles apply to your daily work?

How should your faith affect how you relate to your coworkers, superiors, customers, or employees?
