

This won't be our last Supper

Luke 22:14-20

1. The Supper in the past

- Where is it? Upper room
- When is it? Before Jesus' crucifixion
- What is it? The end of Passover

2. The Supper in the present

- Where is it? At a church gathering
- When is it? After the resurrection
- What is it? A reminder of the gospel

3. The Supper in the future

- Where is it? In heaven
- When is it? During the great tribulation on earth
- What is it? A celebration of the union of the Lord and the church

As we share in the Lord's Supper, we look back at the past events of the Lord's substitutionary death and the present-day benefits to us, His Bride. We also look ahead to the Lord's future return and our being joined with Him in His heavenly kingdom.
