

The Christmas Seen

Colossians 1:15-20

Pastor Greg Wilson

Jesus is the invisible God made visible

Jesus is the Creator entering into His creation

Jesus is still involved in His creation

Jesus is the Head of the Church

Jesus is the Hope of the World

Christmas doesn't end at the birth of a baby but at the death of a man. The God-Man, Jesus Christ, entered the world through a virgin's womb and left the world a victor over hell, death, and the grave.
