

## **God has a Plan**

Luke 1:39-56

Pastor Greg Wilson

### **1. We might respond to God's plan in unbelief**

- Life is mostly business as usual
- Life is mostly business as usual until it isn't

### **2. We can believe God's plan when we don't understand**

- Whereas Zacharias didn't believe, Mary did
- Both announcements were fulfilled not based on the level of their belief but God's sovereignty

### **3. We should praise God for His plan even before it's completed**

- Elizabeth confesses Jesus is Lord before He is born
- Mary sings about her need for a Savior

God's plans and promises are not contingent on our level of belief  
Even when we don't fully understand God's plan, faith calls us to trust His sovereignty

We should praise God for His work and promises even before their fulfillment

Never forget that Jesus was a fetus
