

## ***Knowledge is Key***

Colossians 3:5-10

### **1. The knowledge of actions God disapproves of**

- Verses 5-7 are the way the world dresses
- We must not forget God's opinion of that lifestyle

### **2. The knowledge of speech God disapproves of**

- In verses 8-9, Paul singles out one particular area of sin to avoid
- **James 3:5-6**
- The mouth is a small but deadly member

### **3. The knowledge of God's ongoing work in our lives**

- We discover in verse 10 that putting on the new is only possible through the transforming Word of God
- The world is constantly reminding us of what the old man likes
- The Bible reminds us of what the new man likes

We must grow in the knowledge of God if we desire to grow in Godly character
