

Called by Grace

Galatians 1:11-24

Pastor Greg Wilson

The Gospel is revealed by God

- Not invented by man
- The risen Lord Himself revealed the Gospel to Paul
- The Gospel is not about climbing to God; it's about Him coming to us

The Gospel transforms lives

- If the Law could save, Paul had it covered
- **Philippians 3:5-6**
- **First Timothy 1:13**
- The grace of God has been shaping and preparing him all his life
- **2 Corinthians 5:17**

The Gospel glorifies God

- Our lives are to be a testimony of grace
- The Gospel doesn't leave us unchanged
- **First Peter 2:9**
- **Romans 3:24**

The Gospel is God's revelation, not man's invention. God's grace transforms and calls us, and we must embrace it wholly. It's by grace alone, through faith alone, in Christ alone.
