

Grace Confirmed

Galatians 2:1-10

Pastor Greg Wilson

Paul's message was verified (vv1-2)

- Paul did eventually go to Jerusalem to seek approval
- Even then, Paul was not going in response to human pressure

Titus was the test case (vv3-5)

- Since the days of Abraham, circumcision was the visible sign of belonging to God's chosen people
- Acts 15:1,5
- Titus was a living example of the gospel's freedom
- Salvation is not "Jesus plus" anything

The one gospel for both Jew and Gentile (vv6-10)

- The gospel of grace revealed to Paul was the same as the other Apostles
- John 1:42
- Every Christian is saved the same way: by grace alone, through faith alone in Christ alone

That same gospel is for us today. Maybe you've felt the pressure to add something to your faith – good works, religious routines, or the approval of others. But the message of Galatians is clear: **Jesus is enough.** His grace is sufficient.
